

Middle East Freight Forwarding Overview

Bespoke Project & Contract Forwarding

Redcliffe International (Shipping) Ltd, are renowned for their expertise in the Middle Eastern markets, particularly in Iraq where skills are needed to negotiate the challenging rebuilding and rejuvenation of Iraqi infrastructures.

Transportation Logistics

Redcliffe can offer all modes of transportation: sea freight, airfreight, road (door to door) transportation/trailer (including out-of-gauge) and consolidation movements: For Iraq we can arrange on-carriages over the Iraqi borders via Jordan, Turkey, Lebanon, UAE, Kuwait and Umm Qasr, Iraq. For other Middle Eastern destinations, we can arrange on-carriages as required, having our own registered offices in Jordan, Oman and the UAE: Jebel Ali Free Zone, and Dubai.

Iraqi Specialists

We have been involved with shipments to Iraq for more than 20 years, working with MOU's and UN approvals. We know how to cope with volatile regions and ever changing regulations with Iraqi documentation and clearance procedures.

Tailored Solutions

We take care of all aspects of Middle East transportation so you don't have to. Our customised service can include;

Letters of Credit:

We deal with the local Chamber of Commerce, Arab Embassies, Foreign and Commonwealth Office and the Iraqi Embassy, and not only in the UK, but also in other European/Overseas countries.

Bank References:

25 year established relationship with the Jordan International Bank (JIB) and close workings with the "TBI" Trade Bank of Iraq. We pride ourselves in having a flawless track record in clearing payments and accurate letter of credit presentations.

Bills of Lading:

Redcliffe have their own "Liner" Bill of Lading (Red Ocean Line Ltd) approved by all International Banks.

Customs Clearance:

Within our Group we have our own dedicated clearing office located in Felixstowe which offers assistance with all clearance procedures to include IPR temporary import clearances needed to assist rework of certain commodities.

Inspection:

We can assist with arrangements of official Cotecna/SGS/Lloyds cargo inspections as is usually required under Iraqi and Middle Eastern letters of credit.

Furthermore, we offer a range of additional services which you won't find at just any freight forwarder;

Export Licences

Assistance with application for Export Licences "in-country".

Cargo Supervision

We can arrange dedicated Cargo Supervision at origin or at the overseas port or door.

Tracking

Redcliffe operate a tracking system for specific contracts. This facility can be made available and tailored around your needs.

General Trading Company

Within our group, we have our own Trading Company located in Jebel Ali Free Zone, covering many licensed commodities.

UNICEF

Redcliffe have had experience with working with UNICEF with frustrated shipments made during the Iraqi War, meeting with UNICEF and negotiating taking charge of such cargo, re-writing of contracts to satisfy the requirements of UNICEF and the supplier, and arranging the onward movement into Iraq under their care.

Packing & Warehousing

Own packing company and UK based premises that can assist with on-site and overseas packing and loading. All timber is ISPM 15 compliant.

Insurance

We can provide Marine, Land and Air Insurance cover (to include War on Land cover if required).

Dedicated Contract Manager

Unlike the larger conglomerate forwarding companies, at Redcliffe we will assign a Contract Manager to your account who will manage the whole operation door to door, coordinate with your suppliers, arrange loading and packing, arrange the shipments and documentation and make what ever arrangements you need to make your life so much easier. Our Freight Director has a dedicated operations team who work very closely together to ensure all tasks are fulfilled to the satisfaction of the client.
